

Technical drawing of a mechanical assembly, likely a suspension or steering component, showing various parts and dimensions. The drawing includes the following labeled components and dimensions:

- Parts:** 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18.
- Dimensions:** $R1$, $R2$, L .
- Labels:** A, B.

The drawing shows a cross-sectional view of a component (1) with a spring (14) and a shock absorber (15). It also shows a side view of a component (17) with a circular feature (13). The assembly is mounted on a base (10) with a bolt (11) and a nut (12). The dimensions $R1$ and $R2$ indicate radii of curvature, and L indicates a length. The labels A and B point to specific features of the assembly.
